

Dear Alvarado Families,

We want to thank you for all your support and continued patience while both GLO and BACR work to create a merged afterschool program for all Alvarado Students. As you can imagine there are several moving parts to such a large endeavor and though bumps are inevitable, we are doing our best to make this transition as smooth as possible for the entire Alvarado community. It is not our intention to exclude any family during the enrollment process and we apologize if that has been the case.

We welcome all families to pick up an enrollment packet from the front office. There is a drop box located in the office as well. You can return your completed enrollment packet to this box. Families may also pick up an enrollment packet from the BACR and GLO site coordinators. Shortly after you submit your completed enrollment packet, you will receive a formal confirmation letter.

As a courtesy to our families currently enrolled in either the GLO or BACR programs, we are processing their applications now through May 2nd. All new family packets will be processed beginning Monday, May 5, 2014. We want to reassure all families that we are committed to having all students attend the Alvarado Afterschool Program. The school district is ensuring we will have the necessary space to welcome all the students that apply.

If you are interested in applying for a partial scholarship, please note that on your enrollment packet when submitting it. You will be contacted by the administrative office regarding the Fee Subsidy Scholarship application process.

Again we cannot thank you enough for your continued support and patience during this time. If you have any questions regarding the enrollment process, please don't hesitate to reach out to us:
