

Alvarado PTA Membership Form

Join the Alvarado PTA to help develop, support and implement programs and resources for our children.

Due to the continuing budget shortfall the school district faces, your PTA is again raising funds to support important programs and staff positions such as:

- Literacy and Math Support
- Science & Art Teacher
- Physical Fitness & Yard Coaches
- Inclusive Schools Week & ELAC
- Social Family Events & Art Workshops
- Science Nights, Computers
- Theater & Gardening Staff
- Classroom Supplies & Field Trips

Don't forget the fun events – Dia de los Muertos, Family Dance Nights and our annual Auction! These are some of the events that bring Alvarado together.

Our PTA provides the opportunity to meet other families and teachers. When you become a member, your support allows us to continue to offer these and other enrichment programs. Membership also entitles you to voting privileges at all General Assembly PTA Meetings.

PTA membership dues are \$10 per person. Each household may have an unlimited amount of members. This includes parents, guardians and relatives. No volunteering or time commitment is required. (*Fee waivers are available if dues are a challenge for your family*).

Any additional donation is always appreciated and would be tax deductible. Section 501 (c) (3) Non-Profit Tax ID #94-6171208
